

# Black 1/4" Polyethylene Tubing- Sold in 100' Spools

**Part Number:** P-AIR-2154

**Description:** Black 1/4" Polyethylene Tubing

**Price:** \$658.0

## Detailed Description

This tubing is used in many applications including the Detergent and Maintenance POD's, Rainbow Coat, Presoak Arches, and FloPro Panel. Superb stress-crack resistance tubing is ideal for applications requiring low-temperature flexibility and durability and is widely used in transporting air, water, and chemicals. This tubing is sold in 100' rolls. They are made of a linear low density polyethylene material that is FDA compliant, economical, and lightweight. This tubing is sold in 100' spools.

\*This tubing used to be sold per foot and now is sold in 100' spools.

## Specifications

- Sold in 100' Spools
- Outside Diameter: 1/4"
- Nominal Durometer (Shore D): 44
- Brittleness Temp: -103F
- Temp. Range: -94F-180F
- Working Pressure @ 70F: 205 PSI
- Color: Black
