

Tommy Line Cleaner - 5 Gallon

Part Number: C-T-LineCleaner-5-K

Description:

Price: \$76.78

Detailed Description

The Tommy Line Cleaner is used throughout the wash tunnel to dissolve hard water scale, soap scum, algae, detergent build-up, and other dirt and grime that builds up in the ladder rack and detergent lines. It is not recommended to use this cleaner on stainless steel wash parts and equipment. It comes in a 5-gallon container and is applied to mainly to the ladder rack system and through all detergent lines.
