

Paper Towel Dispenser

Part Number: P-SE-2296

Description:

Price: \$

Detailed Description

Paper towel dispenser used mainly in the vacuum area of the wash site to provide super absorbent towels to wash guests for various needs. The paper towel dispenser is a spring-loaded manual pull design with a stainless steel cabinet. The cabinet features a satin finish to exposed areas for better longevity and cleaning purposes. These dispensers have multiple mounting options including mounted on a stainless pole anchored to the concrete, mounted on the vacuum stanchion with U-bolts, or mounted on the wall as is. Included with the paper towel dispensers are the key for locking and unlocking the cabinet and all necessary mounting hardware.
