

Tommy Self-Serve Green High Pressure Soap - 30 Gallon

Part Number: C-2489

Description:

Price: \$

Detailed Description

The self-serve Tommy High Pressure Soap detergent is a mild, high pH detergent with high foaming properties and a pleasant apple scent. This detergent helps break down and loosen organic material including oily road grime, bird droppings, bugs, etc. This High Pressure Soap detergent is designed for self-serve wash sites only. It is green in color and is biodegradable with no phosphates, surfactants, or caustics while also tolerating hard water. It comes in a 30-gallon drum.

Specifications

- Self Serve High Pressure Wash Recommended Settings: Dilution between 1:240-500.
- Self Serve Bucket and Brush Settings: Dilute 1oz per gallon of water.
