

Simoniz Hot Wax and Shine - 30 Gallon

Part Number: C-SIMONIZ-WAX

Description: Simoniz H0391 Carnauba Hot Wax and Shine 30 Gallon Drum

Price: \$

Detailed Description

This Simoniz Hot Wax and Shine provides wash sites with the ability to offer a great carnauba wax product in their wash packages. This wax product eliminates the need for hand waxing and produces eye popping results at affordable prices. The carnauba wax is combined with synthetic polymers to bond to the vehicle surface and buffed into the vehicle surface by the mitt cloth strips. This provides a lasting shine to the exterior of the vehicle and can be used in In-Bay Automatic or Automatic Conveyor wash sites. This Simoniz Hot Wax and Shine comes in a 30-gallon drum.
