

Red X / Green Arrow LED Lane Traffic Signal Light

Part Number: TSS-TR120XS

Description: TR120XS LED Fixture Signal

Price: \$469.05

Detailed Description

This traffic signal is essential for managing the Point of Sale area at your car wash entrance, clearly indicating lane status with a Green Arrow for open lanes and a Red X for closed ones. Designed for reliability, the signal features a black baked enamel aluminum exterior with a stainless steel hardware and a high-impact plastic face to withstand harsh weather conditions. With a voltage rating of 100-240 VAC and a amperage rating of 1.2 A per symbol, it can be mounted on either swivel or pedestal mounts for flexible installation.
