Description: Milwaukee 3lb Drilling Hammer with High Strength Fiberglass Handle

Price: \$24.99

Detailed Description

This Milwaukee 3lbs. drilling hammer features a high strength fiberglass handle for the ultimate power and durability. This drilling hammer has two faces to it for versatility on the job. One face is milled and the other face is smooth. The milled face is used to grip chisels, punches, stakes, and spikes to reduce slippage or miss-strikes. The smooth face is used for a wide range of striking applications. This hammer has overstrike protection and precision balance for ease of use and forceful blows with minimal effort.
