

3/8" Female NPT x 3/8" Female NPT Stainless Ball Valve

Part Number: P-WAT-2227

Description:

Price: \$29.45

Detailed Description

This ball valve is used in the Maintenance POD and the Passenger Side Prep Gun Bay Wash Down System in the wash tunnel. This ball valve is fire safe and has a 3/8" Female NPT connection. The valve is made of 316 stainless steel to prevent rust and corrosion in the harsh wash tunnel environment.
