

1-1/4" Air/Water Black EPDM Hose - Sold in 50' Spools

Part Number: P-WAT-2394

Description: General Purpose Black EPDM Hose

Price: \$349.5

Detailed Description

This general purpose hose is used in the Tommy RO System. The hose provides excellent services across multiple applications. The hose features a 1-1/4" inside diameter for safe and secure connections. This hose has many protections including abrasion resistance, kink resistance, and weathering protection. The black EPDM material makes the hose versatile and economical while providing a protective cover. The multiple textile plies provide strength and resistance to kinking. This hose is sold in 50' spools.

*This hose used to be sold per foot and now is sold in 50' spools.
