

# Sharp Object #9 Label

**Part Number:** C-EC-225

**Description:**

**Price:** \$0.66

## Detailed Description

This label is used on the #9 Tommy Cloth and Window Cleaner detergent tank in the Maintenance POD. It is used to warn of the easy chem tank receiver insert piercing tube that may be inside the detergent tank. The label has the #9 on it to help keep straight what detergent is in the detergent tank.
