

1/2" Male End Push-To-Connect Quick Connector Fitting

Part Number: P-AIR-2039

Description: 1/2" Male End Push-To-Connect Quick Connector Fitting - Sold in Quantities of 10

Price: \$3.71

Detailed Description

1/2" Push-To-Connect fitting has 1/2" O.D. on both sides of the fitting, one side being male and the other side being female. This LIQUIfit Union Push-To-Connect design offers an "eco-designed" innovative alternative for water and beverage applications. This design allows for full flow so no locking clip is needed and no fluid contamination occurs. This style fitting guarantees environmental protection and leak proof sealing technology. Sold in quantities of 10.
