

Tommy's Express Drying Agent Curved Hanging Rinse

Part Number: TX-E-DA-A

Description:

Price: \$1,350.0

Detailed Description

Tommy's Express Drying Agent Hanging Curved Rinse is used at the end of the wash tunnel after the Tommy Guard arch before the Blower Room. The curved rinse applies Drying Agent detergent to the vehicle to break down remaining water and soap for easier drying capabilities. Included with the curved hanging rinse unit is the rinse manifold with mounting brackets, nozzles, and Tommy's Express branded "Drying Agent" signage. All of the necessary hardware is also included with the unit.

Specifications

- Rinse Manifold Material: Stainless Steel
- Hardware Material: Stainless Steel
