Detailed Description

The Tommy Cloth and Window Cleaner detergent is used as a window cleaner in the wash bay of the wash tunnel. Tommy Cloth and Window Cleaner is specially formulated to make your tunnel and glass maintenance easy. This ammonia-free, fresh-scented solution dries for a streak-free result on glass and other glossy surfaces. The concentrated solution easily cuts through oils, finger prints, soapy build-up, smoke, and other compounds. It comes in a 30 gallon drum and is applied on the cloth brushes and the windows of the wash tunnel.
