

iPad 10.2" Impact Resistant Case

Part Number: P-SE-C2035

Description:

Price: \$63.46

Detailed Description

This case is designed for the iPad 10.2" 7th and 8th generations. The case provides maximum protection for the iPad with light weight materials and a low-profile design. The tough durable exterior of the case creates an easy grip to reduce the iPad slipping out of your hands during daily use. The iPad case includes a smart cover that creates an auto wake/sleep feature.
