

GPD Purclean E3 Spot Free Rinse System

Part Number: E3RO

Description: GPD Purclean E3 Spot Free Rinse System

Price: \$

Detailed Description

Hailed for their innovative solutions to water reuse and waste reduction, Purclean is a perfect fit for high end, environmentally conscious car washes. Purclean RO systems effectively and efficiently remove hardness and impurities from fresh water, providing an extremely clean source for final rinsing that dramatically reduces spotting for a better car wash result.
