

304 Series LED Recessed Canopy Light, Single Skin, 40 LED Count, 120-277V

Part Number: P-LED-3021

Description: CAN-304-SL-RS-04-E-UL-SV-350-57K-DIM 304 Series Canopy Light

Price: \$166.15

Detailed Description

This 304 Series recessed canopy light is used throughout the wash site to provide exceptional outdoor lighting. The canopy light is mounted in a sealed center chamber that is weathertight, which allows for access from below the fixture. The canopy light has sparkle petroleum optic and is single skin mounted. It has a 40 LED count and universal 120-277V voltage rating. It comes in silver and is made of a rugged die cast aluminum material.
