

Milwaukee 3/8" Drive Metric Ratchet/Socket 32 Piece Kit

Part Number: TX-A-2193965

Description:

Price: \$139.99

Detailed Description

This Milwaukee ratchet and socket set includes 14 sockets and 14 deep well sockets that range from sizes 6MM-19MM in both socket types. These sockets are used with a 3/8" drive ratchet when in use. This ratchet and socket set is designed for use in tight spaces and to deliver maximum tool strength. The set is made of steel with a chrome finish to prevent rusting. The ratchet has a 90-tooth design and a slim profile head for the best performance. Every socket has four flat sides for anti-roll and wrench ready purposes and are stamped with the sizes on them for better visibility. This metric ratchet and socket set is Milwaukee branded and come with a case and removable storage tray.
