

Milwaukee 1/4" Drive SAE Ratchet/Socket Set

Part Number: TX-A-2193962

Description: Milwaukee 1/4" Drive SAE Ratchet/Socket Set - 26 Piece Set

Price: \$99.99

Detailed Description

This Milwaukee ratchet and socket set includes 11 sockets and 11 deep well sockets that range from sizes 5/32"-1/2" in both socket types. These sockets are used with a 1/4" drive ratchet when in use. This ratchet and socket set is designed for use in tight spaces and to deliver maximum tool strength. The set is made of steel with a chrome finish to prevent rusting. The ratchet has a 90-tooth design and a slim profile head for the best performance. Every socket has four flat sides for anti-roll and wrench ready purposes and are stamped with the sizes on them for better visibility. This SAE ratchet and socket set is Milwaukee branded and come with a case and removable storage tray.
