

Stainless Steel Round U-Bolt Kit 1/2"-13 Diameter x 4-1/2" Length

Part Number: P-INS-2006-K

Description:

Price: \$8.0

Detailed Description

The 1/2" x 4-1/2" U-Bolt Kit is a versatile and durable fastening solution for your wash tunnel equipment. Designed to secure components like heated blowers, vacuum stanchions, and ladder racks, this U-bolt provides a strong and reliable grip.

This U-bolt is crafted from high-quality Grade 304 stainless steel, which offers superior resistance to rust and corrosion, ensuring a long lifespan in the harsh car wash environment. The kit comes complete with all the necessary hardware for a quick and secure installation, including one round U-bolt, two flat washers, two lock washers, and two hex nuts.

Kit Contents:

- (1) Round U-Bolt
- (2) 1/2" Flat Washers
- (2) 1/2" Lock Washers
- (2) 1/2" Hex Nuts
