

Stripe Terminal M2 Credit Card Reader

Part Number: POS-WC-2066

Description:

Price: \$79.99

Detailed Description

This credit card reader is used at the Cashier Window at the Point of Sale area of the wash site. The M2 Stripe reader can be used to accept credit card payments through insert, tap, swipe, type, or scan. The unique design of the M2 reader has multiple insert holes for the chip cards to be inserted as well as cards to be swiped on the back of the reader and tapped on the top of the reader. These readers come in white and are Bluetooth-enabled. They have superior built-in fraud detection and easy setup. Includes connecting cord with card reader.
