

Fire Hose Twister Nozzle Adapter Connection Kit

Part Number: P-WAT-2912-A

Description:

Price: \$92.07

Detailed Description

This adapter connection kit is used to help connect the twister pistol grip nozzle ([P-WAT-2906](#)) to the 3/4" fire hose ([P-WAT-2964](#)) on the Maintenance POD in the wash bay of the wash tunnel. The adapter connection kit includes one 1" Female NPSH adapter, one 3/4" Male JIC X Male Pipe Stainless Adapter, and one 1" Male NPT X 3/4" Female NPT brass reducer bushing. These three fittings work together to allow the 1" connection end of the twister nozzle firmly connect to the 3/4" fire hose.
