

# Geovision 8MP AI Super Low Lux Outdoor Security Dome Camera

**Part Number:** P-SE-2276

**Description:** Geovision AI TVD8810 8MP Outdoor Security Camera

**Price:** \$339.25

## Detailed Description

This Geovision GV-TVD8810 security camera is used in the outdoor camera systems. They are placed strategically throughout the outside of the wash tunnel for full viewing of the outdoor building. The Vandal Proof IP Dome is an outdoor camera designed with IK10 vandal resistance and IP67 ingress protection. The camera is equipped with an automatic IR-cut filter and IR LEDs for day and night surveillance. Adjustable in 3 axis (pan, tilt and rotate), it offers an entry-level surveillance solution with all the essential features and excellent image quality. The camera is capable of providing a color live view not only in near darkness but also under contrasting light intensities with its super low lux CMOS image sensor and WDR pro. This camera has a fixed iris and a motorized varifocal lens.
