

# Stainless Four Hole Bumper Applicator Manifold

**Part Number:** P-RP-0042

**Description:**

**Price:** \$133.12

## Detailed Description

Stainless Steel Manifold for Multiple Tunnel Applications, including Front, Rear, and Bug Spray Bumper Applicators. Featuring four 1/4" Female NPT ports, this 20-1/2" manifold efficiently directs water to spray nozzles. With 3/8" Female NPT and 1/2" Male NPT connections, it's built to withstand rust and corrosion in tough wash environments. Plumbing hardware not included.
