Detailed Description

This generic decal is used at the vending machines at the vacuum stations. It is used to describe information to the guest on what to do to receive a detail kit from the vending machine and what items are included in the detail kit. This decal helps point out where to insert a credit card or where to scan a code to purchase on a vending machine, where the detail kit will be dispensed, and shows a price of \$5 or \$3 per kit. Option 1.0 is meant for machines that do not have a window on the unit, option 2.0 is meant for machines that do have a window on the unit.
